*Subject Construction of Police Station.

Letter No. 987/80 d: 11-9-02 from the I.G. of P. representing that the —— at Kerehally n be taken on hand at once.

Note

The Superintending Engineer, Eastern circle submitted for sanction an Estimate for Rs 28: for constructing a new Police station at Kerehal with the materials of the Station House at Kam pinkolē. This was returned unsanctioned b the Chief Engineer as the allotment provided for the Draft Budget was struck off. The Inspector General represents that delay in building station at Kerehalli will cause inconvenien to the Police who are reported to occupy a dilapidated building which is in danger of coming down during the present rainy season and that the materials of the Kampinkō

Station will deteriorate if they are allowed
to remain and 2 requests therefore that same
-tion be accorded to the work being taken
on hand before the building at Karchally
comes down.

Subd for orders. No separate provision has
been made under the head "Construction
& Repairs" in the Police budget of the
current official year

In the Deputy Chief
Engineer's letter it is stated that
SN 15/9/02 the estimate may be resubmitted
for sanction if the Superintending
Engineer is able to provide the
required allotment later in the year
by reappropriation from works in
his circle. The Chief Engineer may
perhaps be requested to ascertain
from the Superintending Engineer whether
it is possible to do so

Puri
7/9/02

~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

SIR,

I have the honor to forward herewith Copy of docket No. 4837 of the 27th ultimo, from the Chief Engineer of Mysore, to the Superintending Engineer, Eastern Circle, returning the Estimate for dismantling the Police station at Kempinkote, and utilizing the materials for the Construction of the Kasekally Police Station, to the Government Structure and the Estimate the

Draft

Superintendent Burdett and to state that the delays in building the Station at Kamthally will cause inconvenience to the Police who are reported by the Deputy Commissioner to occupy dilapidated building which is in danger of coming down during the present rainy season and the materials of the Kompaunde Station will deteriorate, if they are allowed to remain where they are, and are not utilized. I beg that under these circumstances, the work in question may be sanctioned, and ~~communicated to~~ the Chief Engineer requested to call upon the Contractor to take up the work in hand, before the building at Kamthally comes down.

I have the honour to be,
